**Expert Lecture on “Crypto Currency and its future Worldwide and in India”**

**Event :- Expert Lecture**

**Topic:-Crypto Currency and its future Worldwide and in India**

**Date & Day:- 28<sup>th</sup> February 2022, Monday**

**Venue:- Auditorium, Ground Floor, Block – 2**

Management Department of ADGITM organized an Expert Lecture on 28<sup>th</sup> February 2022 on the topic of “**Crypto Currency and its future Worldwide and in India**” by Mr. S.K. Verma, Financial Consultant & Corporate Trainer, in the Auditorium Ground Floor Block – 2. The objective of this lecture was to enlighten students about Cryptocurrency and its future Worldwide and in India.

Mr. S.K.Verma did his B.Sc (Hons), M.Sc. (Physics) from Lucknow University and DBM. He formerly worked as a Deputy General Manager of Syndicate Bank and General Manager on deputation of two other banks. He also worked across the spectrum- Top management of a public sector bank, syndicate bank head of three regions, head of credit, recoveries, training and counseling, finance, Director on the board of two RRBS, Chairman of three EDP RSETIs advisory committees, Principal of two training colleges of syndicate Bank. He is a member of the MSME Rehab Committee of PNB Ghaziabad and OBC NIT Faridabad.

The lecture was started at 12.00 noon onwards and was hosted by Management Students Mr. Prarit Aggarwal and Ms. Ritika Sharma. A welcome address was delivered by CEO sir Shri. S.N. Garg Ji. After that saplings were given to all the dignitaries. Firstly, Mr. S.K. Verma discussed the concept of Crypto-Currency and its use. He covered important concepts like:-

- ★ Concept of Crypto-Currency and its impact.
- ★ Its impact on the economy.
- ★ Its future worldwide and in India.

He explained the concepts with examples and quoted some other terminologies and defined them. Crypto-currency as a long-term investment opportunity still sounds legit in 2021. The towering market caps, entry of new, and most importantly the real-world possibilities hinged on the elementary block-chain technology have come up as major growth drivers now that the year draws to an eventful end.

The lecture was attended by faculties and students of Management Department. It was a very informative and interactive session and the students were able to understand the concept of Crypto-Currency through given examples, stories and learned about how to invest and its future Worldwide and in India. This was very well explained in the session. The program came to an end at 2.30 PM with the vote of thanks delivered by **Prof. (Dr.) Tusshar Mahajan (Dean - Management)**.

At the end, Memento was presented to the Resource Person Mr. S.K.Verma.
