

DR. AKHILESH DAS GUPTA

INSTITUTE OF TECHNOLOGY & MANAGEMENT

DEPARTMENT OF CIVIL ENGINEERING

Newsletter

January 2023 to July 2023

Institute Vision

To produce globally competent and socially responsible technocrats and entrepreneurs who can develop innovative solutions to meet the challenges of the 21st century.

Department Vision

To produce civil engineers equipped with excellent technical research and leadership skills for globally competent environment.

Department Mission

M1. To impart quality education through veracity of academics and practical applications.

M2. To develop research attitude in students to solve civil engineering problems.

M3. To create a conducive environment that promote project based learning and industry based skillsets.

Institute Mission

1. To produce value-based education through multi-grade teaching methodologies and modern education facilities.

2. To sustain an active partnership program with industry and other academic institutes to promote knowledge and resource sharing.

3. To conduct value-added training programmes to enhance employability.

4. To provide a conducive environment for development of ethical and socially responsible technocrats, managers and entrepreneurs

Program Educational Objectives (PEOs)

PEO1: Graduate shall have strong fundamentals in Civil Engineering to deliver sustainable and economical solutions to real life problems.

PEO2: Graduate shall develop excellent communication, technical and leadership skills in interdisciplinary environment as team players and responsible citizen.

PEO3: Graduate shall, apart from excelling in Civil Engineering, exhibit high human values and professional competence.

TECHNICAL POSTER PRESENTATION

Department of Civil engineering (NEEV official society of civil engineering department) organized the Technical Poster Making Competition on 30th May 2023, All the students actively participated in the event. Total 33 students participated in teams of three/four. All the students actively participated. All the winners were felicitated. Technical and aesthetic appearance of structures both are the pillar of civil engineering in this event students learned about the importance of aesthetics and architectural skills. Total No of Teams :11 Total No of Participants: 33 students.

The poster features a dark background with yellow starburst effects. At the top left is the logo of Dr. Akhilesh Das Gupta Institute of Technology & Management, and at the top right is the BBD logo. The central text reads 'DEPARTMENT OF CIVIL ENGINEERING NEEV presents TECHNICAL POSTER PRESENTATION'. Below this, there is an illustration of two people looking at a laptop and a presentation board. To the left, a rolled-up certificate is shown with the text 'Certificates will be provided.' and the NEEV logo. To the right, a QR code is provided for registration. At the bottom, the date '29-05-23' is prominently displayed, followed by the time and venue: '2:00 Pm onwards | Venue: Smart Room' and the hashtag '#ShapingGenerations'.

SKILL DEVELOPMENT PROGRAM ON BASIC TESTS ON BUILDING MATERIALS

Department of Civil Engineering (NEEV official society of civil engineering department) organized the skill development program on 10th May 2023, all the staff members actively participated in the event. Basic physical tests on sand and concrete were conducted by Dr. Kavita Verma and Basic physical tests on brick were conducted by Mr. Ashish Juneja. Slump test was conducted and demonstrated by Mr. Sharukh Khan (Lab Technician) and explained by Dr. Kavita Verma.(DI)

The poster is for a skill development program organized by the Department of Civil Engineering at Dr. Akhilesh Das Gupta Institute of Technology & Management. It features the institute's logo and contact information at the top. The main text reads: 'DEPARTMENT OF CIVIL ENGINEERING ORGANIZES SKILL DEVELOPMENT PROGRAM ON BASIC TESTS ON BUILDING MATERIALS'. A circular inset image shows a slump test being performed on a concrete sample. The event details are: 'WEDNESDAY 10TH MAY 2023 AT 2:30 PM ONWARDS VENUE: CONCRETE LAB BLOCK 4'. The hashtag #ShapingGenerations is at the bottom right.

CV WRITING WORKSHOP

Department of Civil Engineering (NEEV official society of civil engineering department) organized the workshop on CV writing, all the students actively participated in the event. Total 30 students have participated. All the students actively participated. Encourages creativity and thinking 'outside the box', developing new ideas and using unconventional methods. Thus increase in morale, as well as an increase in productivity. To know inner talents and learn to express best for yourself

BENEFITS OF HAVING A GOOD CV:

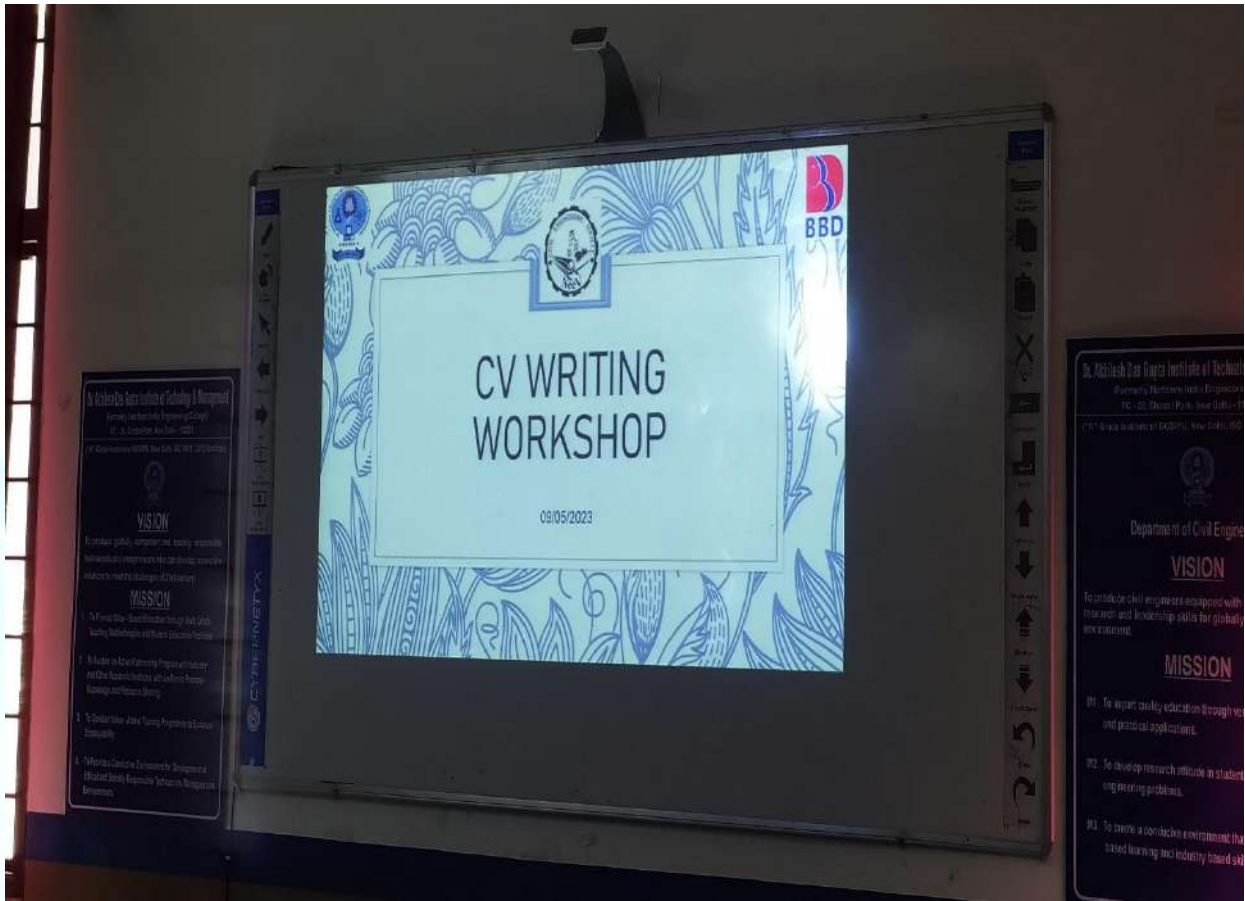

- IMPROVES CHANCES OF GETTING NOTICED AND INVITED FOR INTERVIEW
- INCREASES CAREER OPPORTUNITIES AND EARNING POTENTIAL
- DEMONSTRATES PROFESSIONALISM AND ATTENTION TO DETAIL
- HIGHLIGHTS RELEVANT QUALIFICATIONS AND ACHIEVEMENTS
- HELPS TO STAND OUT FROM OTHER CANDIDATES.

Felicitation of NEEV Team

Department of Civil Engineering organized felicitation ceremony for NEEV Society, official society of The event started with Introduction to NEEV society. NEEV has completed 9 years and entered it's decade year. Department acknowledged the contributions of all present and former team members of NEEV Society for bringing laurels to the department. Civil Engineering Department on 10th April 2023. The event was addressed by our respected Prof. (Dr.) Sanjay Kumar, Director Sir. Who motivated all the attendees with his aspiring words and esteemed presence. He also felicitated all the senior members of society. The ceremony was ended by vote of thanks given by departmental incharge Dr. Kavita Verma with her inspiring words and Mr. Himanshu Bhardwaja, Assistant Professor with his enthusiastic words.

Expert Talk on Career Opportunities in Civil Engineering

The objective of organizing an 'Expert Talk' is to explore a particular subject through interacting with experts. Mr. Ashcharya Bansal (Ex-IES) enlightened students with his motivational words and guidance for creating new opportunities after graduation. These sessions provide a platform for students to express their ideas and views. Students have learnt so many new things and information on which career they should go for, to achieve success in their life and were eager to grab the opportunity. Total No. of Participants: 110 students.

DR. AKHILESH DAS GUPTA INSTITUTE OF TECHNOLOGY & MANAGEMENT

About the Institution

“ADGITM is chartering new frontiers in knowledge, excellence, efficiency and blazing new trails in innovation, creativity and development. It is developing a sustainable, competitive edge through profession insight.”

Dr. Akhilesh Das Gupta Institute of Technology & Management (ADGITM), formerly known as Northern India Engineering College (NIEC), New Delhi was established by BBDES, LUCKNOW in year 2003. ADGITM has an aesthetically designed campus spread over approximately 9 acres of the lush green environment at Shastri Park. The Campus comprises of five interconnected blocks covering a built-up area of approx. 3.0 Lac sq. ft. ADGITM offers Under Graduate and Post Graduate level full-time Professional programs approved by AICTE in affiliation with Guru Gobind Singh Indraprastha University (GGSIPU), New Delhi.
