"Quiz Competition Young Talent Hunt 2024"

Date of Event: 19th February 2024 (11:30 am-12:30 pm)
Venue: Room No. 4203, Department of CSE (Block-4)

Objectives: To conduct a coding competition as well as Aptitude question for checking the coding skills of the students.

Activities: A Quiz competition was conducted for the computer science students.

Key Takeaways:

The Programming quiz took place in the in department of CSE (Room No. 4203) in association with ITS organization under their Annual Quiz Activity "YOUNG TALENT HUNT 2024". Students were divided in team of four students each. The level of the competition was to ensure how much knowledge they can apply for attempting the programming question. The duration was of 1 hour. After the competition ended the outputs were analyzed and based on that, winners were declared and goodies were distributed amongst team for their correct answers or on a correct guess. Students participated with great enthusiasm and showed their creativity by implementing the given problem in different programming languages.

Outcomes: 32 students registered for the event and winners for the same were announced via mail.

Winners: Top 5 teams will be selected for the second round.

Beneficiaries: CSE, IT, AI&DS, AI&ML students.
