

**Dr. Akhilesh Das Gupta Institute of Professional Studies**  
**Department of Artificial Intelligence & Machine Learning**

**Faculty FDP Details**

| S. No. | Faculty Name     | FDP Title   | Organized By                          | FDP Duration<br>(Start Date - End Date) |
|--------|------------------|---|---------------------------------------|---|
| 1      | Dr. Ankit Verma  | AI Evolution: From Foundations to Generative AI             | Microsoft, SAP, TechSaksham & BBDNIIT | 5th - 9th February 2024                 |
| 2      | Dr. Mohd. Izhar  | AI Evolution: From Foundations to Generative AI             | Microsoft, SAP, TechSaksham & BBDNIIT | 5th - 9th February 2024                 |
| 3      | Dr. Neha Yadav   | AI Evolution: From Foundations to Generative AI             | Microsoft, SAP, TechSaksham & BBDNIIT | 5th - 9th February 2024                 |
| 4      | Dr. Ankit Verma  | Wireless Networks   | NITTTR, Chandigarh and ADGIPS         | 12th - 16th February 2024               |
| 5      | Dr. Suman Bhatia | Wireless Networks   | NITTTR, Chandigarh and ADGIPS         | 12th - 16th February 2024               |
| 6      | Dr. Mohd. Izhar  | Wireless Networks   | NITTTR, Chandigarh and ADGIPS         | 12th - 16th February 2024               |
| 7      | Dr. Neha Yadav   | Wireless Networks   | NITTTR, Chandigarh and ADGIPS         | 12th - 16th February 2024               |
| 8      | Ms. Sadaf Fatima | Wireless Networks   | NITTTR, Chandigarh and ADGIPS         | 12th - 16th February 2024               |
| 9      | Mr. Haider Abbas | Wireless Networks   | NITTTR, Chandigarh and ADGIPS         | 12th - 16th February 2024               |
| 10     | Dr. Suman Bhatia | International Faculty Development Program                   | Astana IT University, Kazakhstan      | 19th - 23rd February 2024               |
| 11     | Dr. Ankit Verma  | Artificial Intelligence                                     | Microsoft, SAP, AICTE & ADGITS        | 13th -17th February 2023                |
| 12     | Dr. Ankit Verma  | Application of Artificial Intelligence in Civil Engineering | ADGITM                                | 4th - 9th December 2023                 |
| 13     | Dr. Ankit Verma  | Applied Cloud Computing for Full Stack Web Development      | Microsoft, SAP, TechSaksham & ADGITM  | 26th - 30th December 2023               |
| 14     | Dr. Suman Bhatia | Applied Cloud Computing for Full Stack Web Development      | Microsoft, SAP, TechSaksham & ADGITM  | 26th - 30th December 2023               |
| 15     | Dr. Mohd. Izhar  | Applied Cloud Computing for Full Stack Web Development      | Microsoft, SAP, TechSaksham & ADGITM  | 26th - 30th December 2023               |
| 16     | Dr. Neha Yadav   | Applied Cloud Computing for Full Stack Web Development      | Microsoft, SAP, TechSaksham & ADGITM  | 26th - 30th December 2023               |

|    |                     |  |                                      |                           |
|----|---------------------|--|--------------------------------------|---------------------------|
| 17 | Ms. Sadaf Fatima    | Applied Cloud Computing for Full Stack Web Development                             | Microsoft, SAP, TechSaksham & ADGITM | 26th - 30th December 2023 |
| 18 | Ms. Iram Fatima     | Applied Cloud Computing for Full Stack Web Development                             | Microsoft, SAP, TechSaksham & ADGITM | 26th - 30th December 2023 |
| 19 | Dr. Meenakshi Yadav | Data Analysis Using Advanced Excel   | E & ICT Academy, IIT Kanpur          | 1st - 7th February 2022   |
| 20 | Dr. Preety          | Data Analysis Using Advanced Excel   | E & ICT Academy, IIT Kanpur          | 1st - 7th February 2022   |
| 21 | Dr. Meenakshi Yadav | Artificial Intelligence, Robotics and Automation                                   | Banasthali Vidyapith                 | 9th - 14th March 2022     |
| 22 | Dr. Preety          | Artificial Intelligence, Robotics and Automation                                   | Banasthali Vidyapith                 | 9th - 14th March 2022     |
| 23 | Dr. Preety          | Innovations and Research Trends in Artificial Intelligence in Multiple Disciplines | Banasthali University                | 3rd - 8th March 2021      |
| 24 | Dr. Meenakshi Yadav | NBA Accreditation Process & SAR File Preparation                                   | Anurag University                    | 8th - 12th November 2021  |
| 25 | Dr. Preety          | NBA Accreditation Process & SAR File Preparation                                   | Anurag University                    | 8th - 12th November 2021  |
