REPORT

Seminar on "Career Guidance"

Date of Event: 15th April 2025

Venue: Auditorium

Objectives: To guide students on various career opportunities and strategies for professional development through expert insights and real-world experience.

Delegates (Speakers, Outsiders): Mr. Kuldeep Singh Rathore **(**Gatewallah Faculty**)**

Key Takeaways:

- Strategic planning for career growth in the technology domain
- Competitive exam guidance (GATE, ISRO, etc.)
- Opportunities in government and research sectors
- Importance of developing technical and soft skills
- Real-world insights from an experienced educator and expert
- Motivation and roadmap for achieving academic and professional success

Description: The Department of AIML organized a seminar on "Career Guidance" on 15th April 2025, conducted by Mr. Kuldeep Singh Rathore, an accomplished academic and professional with vast experience in the field of science and technology. The seminar was held in the Auditorium and was attended by a large number of students.

This report aims to provide a comprehensive overview of the seminar to inform and motivate students regarding future opportunities in academia, research, government organizations, and the corporate world. Mr. Rathore shared his personal journey, challenges, and strategies that helped him qualify for prestigious roles including GATE and ISRO. He also provided guidance on how students can align their current academic pursuits with long-term career goals.

The seminar included a Q&A session, allowing students to clarify their doubts regarding preparation strategies, profile building, and available opportunities across industries.

Outcomes: The seminar inspired and informed students, enhancing their awareness about multiple career paths and equipping them with actionable insights for their academic and professional journey.

Beneficiaries: AIML students.
