

DR. AKHILESH DAS GUPTA

INSTITUTE OF PROFESSIONAL STUDIES

(Formerly Dr. Akhilesh Das Gupta Institute of Technology & Management)

Department of Electronics and Communication Engineering

Event Report: Industrial Visit To Ducat.

Event Details:

- **Event Name:** One Day Industrial Visit
- **Date:** 10/09/25
- **Time:** 11:00AM- 3:00 PM

Venue: Ducat, training institute, Kohat Enclave, Delhi.

Participants:

- **Number of Participants:** 40
- **Target Audience:** ECE 2nd Year Students

Event Objective:

1. To give students practical exposure to the working environment of the electronics and communication sector.
2. To help students understand how theoretical concepts they are learning in class are applied in the industry.
3. To explore various career paths within the field of ECE, including roles in design, development, testing, and maintenance.
4. To observe how projects are managed, timelines are adhered to, and how teams collaborate within a professional setting.

Highlights of the Event:

1. Students gain knowledge about latest trends in ECE, such as: Embedded Systems, IoT (Internet of Things), VLSI Design and GEN AI.
2. Students interacted with industry experts and trainers.

3. Students observed the integration of hardware and software systems.

Learning Outcomes: Students learnt Industry Practices, Hands-on Experience with Hardware and Software Tools, Awareness of Career Opportunities and Motivation for Continuous Learning. They are satisfied from company visit and overall it was an enriching experience.

Organizers:

- **Faculty Member:** Ms. Aakanksha Gupta, Dr. Richa Malhotra and Ms. Neha Jain.

Conclusion: Students gained practical insights into the ECE industry, Motivation to align academic learning with real-world skills and Awareness of how to prepare for careers in electronics and communication.
