**HOD AIML Message**

Once, an author very rightly said, "Listen to the people who love you. Believe that they are worth living for, even when you don't believe it. The Educational System of ADGIPS is not limited to a defined curriculum only, but to develop and cheer all the spheres of people, especially students associated with it. Department of Artificial Intelligence & Machine Learning (AIML) of ADGIPS always works in the direction of enhancing entrepreneurial abilities among the students and helps them in working on those relevant projects, which can act as a landmark for our developing society. Department of Artificial Intelligence & Machine Learning (AIML) is a cluster of some of the great scientific research fields, which when together work upon gives wings to dreams to touch the sky of reality. Department of Artificial Intelligence & Machine Learning (AIML) always works towards developing engineers with a rich set of technical, managerial, and ethical skills so that they can contribute to nation building.
