

IN - VISION

Aug 25 - Dec 25 Issue

VISION

To produce socially responsible technocrats, researchers, and entrepreneurs in the field of Computer Science and Engineering.

MISSION

To provide quality education in the field of computer science.

To inculcate professional behavior, strong ethical values, and leadership skills among students.

To provide a platform for promoting entrepreneurship and multidisciplinary activities.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

Computer science is a science of abstraction creating the right model for a problem and devising the appropriate techniques to solve it

ACHIVEMENTS

- **Sumit** - Qualified in top 150 at CODEVEDA by Code Veda (29 Aug 2025).
- **Amogh Saxena** - Selected Team at SIH Internal Hackathon 2025 (12 Sep 2025).
- **Chetan Kumar** - Lead Organiser of CODEVEDA by Geekroom_ADGIPS (13 Sep 2025).
- **Simran** - 3rd Rank in EXCHANGE: Speed to Succeed by IEEE ADGIPS (14 Oct 2024).
- **Amogh Saxena** - Grand Finalist at Smart India Hackathon 2025 (7 Nov 2025).
- **Pushkar** - 2nd Rank at Robogyan Event by IIMT (14 Nov 2025).
- **Abhishek Singh Chauhan** - Grand Finalist at Smart India Hackathon 2025 (15 Nov 2025).
- **Dhiraj Kumar** - 3rd Rank at Dr. Bharat Ram Sports Meet 2025-26 (19 Nov 2025).

OUR GOLD MEDALISTS

Congratulations

**TO ALL THE GOLD
MEDALISTS
WE WISH YOU BRING
MORE LAURELS TO THE
DEPARTMENT AND THE
INSTITUTION**

Sangorika Gosh
(Batch: 2018 - 22)

Diksha Sethi
(Batch: 2015 - 19)

Mahak Shah
(Batch: 2013 - 17)

Benny Kaur Anand
(Batch 2016 - 20)

Ambika Arora
(Batch: 2014 - 18)

Sourabh Jeswani
(Batch: 2008-12)

EVENTS

ALUMNI TALK

The Online Alumni Talk “Learn the Secrets of Cracking Infosys Placement” was organized by the Department of Computer Science & Engineering, ADGIPS Delhi on October 11, 2025 via Google Meet. Mr. Harshit Garg and Ms. Nandini Sharma, Digital Specialist Engineers at Infosys Ltd, shared valuable insights on the Infosys recruitment process and effective interview preparation. The speakers discussed aptitude, technical, and HR round strategies, along with real interview experiences. The session witnessed the active participation of over 80 students and concluded with an interactive Q&A segment.

INTRACOLLEGE EVENTS

Design Alchemy 2025

The Department of Computer Science & Engineering, ADGIPS Delhi, organized the intra-college design competition “Design Alchemy 2025” on October 15, 2025. The event saw 31 active participants showcasing creative digital designs and successfully promoted creativity and innovation among students.

MIND MATRIX

The Department of Computer Science & Engineering, ADGIPS Delhi, organized the technical quiz “Mind Matrix 2025” on October 15, 2025. The event saw active participation from students of B.Tech and MBA programs and successfully promoted technical knowledge and logical thinking.

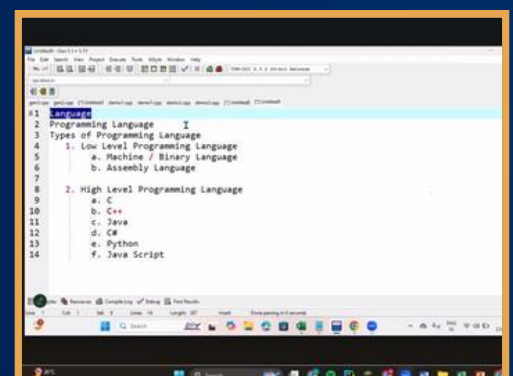

LOGO CREATION COMPETITION

The Logo Creation Competition encouraged students to design original and meaningful logos using Canva. The event helped participants enhance their creativity, visual design skills, and understanding of graphic design fundamentals. It provided a platform for students to express ideas through aesthetics and originality.

SDP on “Fundamentals of C Programming”

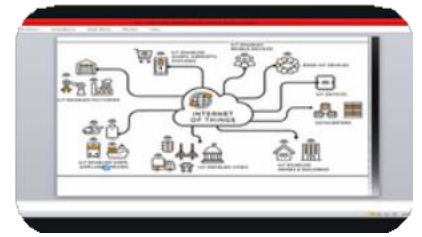

The Department of Computer Science & Engineering at ADGIPS Delhi, in partnership with EICT Academy at IIT Kanpur, organized a one-week student development program on “Fundamentals of C Programming” from October 13 to 17, 2025. This program took place online. It covered key C programming topics such as variables, control structures, functions, arrays, pointers, and structures. Sixty-two students from different B.Tech branches joined interactive sessions that included live demonstrations and hands-on learning. This experience helped them establish a solid foundation in C programming.

SDP-IOT WITH DRONES

The One-Week Student Development Program (SDP) on "IoT with Drones" was organized by the Department of Computer Science & Engineering, ADGIPS Delhi, in association with EICT Academy, IIT Kanpur from September 18–23, 2025 in virtual mode. The program focused on IoT integration with drone technologies and their applications in agriculture, surveillance, logistics, and environmental monitoring, with active participation from 129 B.Tech students.

The program successfully enhanced participants' technical knowledge and practical understanding of IoT-enabled UAV systems.

Industrial Visit

INDUSTRIAL VISIT TO DCRUST MURTHAL

The Department of Computer Science & Engineering at ADGIPS Delhi arranged for an industrial visit to Mother Dairy Plant on the 7th of October 2025 for CSE students. The visit was conducted in an effort to give students real-life exposure to industry practices.

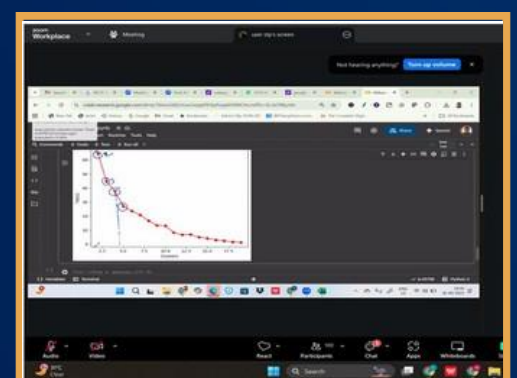

INDUSTRIAL VISIT TO MOTHER DAIRY

The Department of Computer Science & Engineering at ADGIPS Delhi arranged for an industrial visit to Mother Dairy Plant on the 7th of October 2025 for CSE students. The visit was conducted in an effort to give students real-life exposure to industry practices.

FDP "Data Analytics Using AI"

The Eleven-Day Faculty Development Programme (FDP) on "Data Analytics Using AI" was organized by the Department of Computer Science & Engineering, ADGIPS Delhi, in association with EICT Academy, IIT Kanpur from September 16–27, 2025 in virtual mode. The FDP aimed to equip faculty members with practical knowledge of data analytics techniques integrated with Artificial Intelligence using Python-based tools and libraries. A total of 19 faculty members participated in the programme, which concluded with positive feedback highlighting its relevance and academic value.
