

## **Department of Electronics and Communication Engineering**

### **Event Report: Techno Quizz**

#### **Event Details:**

- **Event Name:** Techno Quizz
- **Date:** 15/10/25
- **Time:** 11:00AM- 12:30 PM
- **Venue:** Block no.5, Room no.5101

#### **Participants:**

- **Number of Participants:** 5-7
- **Target Audience:**15

**Event Objective:** The primary objectives of the event were:

- To test and enhance the technical knowledge of participants beyond their academic curriculum.
- To promote healthy competition and sportsmanship among students.
- To provide a platform for students to apply theoretical knowledge to practical, quizzing scenarios.

#### **Highlights of the Event:**

1. The quiz questions were highly appreciated for their relevance, depth, and ability to test applied knowledge.

**Feedback & Reception and Learning Outcomes:** Participants provided positive verbal feedback, specifically mentioning the well-balanced difficulty of the rounds and the professional conduct of the event.

#### **Organizers:**

- **Faculty Member:** Dr. Naveen Tyagi
- **Student Coordinator:** Kritika gupta

**Conclusion:** The Technical Quiz was a highly successful and impactful event that met all its objectives. It not only provided a vibrant platform for students to showcase their technical prowess but also served as a valuable learning experience in event management for the organizing team. The collaborative effort between the student coordinators and the unwavering support of the faculty coordinator were the cornerstones of this success. We look forward to organizing more such enlightening events in the future.
