## Department of Computer Science & Technology

---

### REPORT

on

### DESIGN A LOGO

**Date of Event:** 14<sup>th</sup> October 2025

**Venue:** RN-5301

**Time:** 10:00 AM onwards

**Objective:** The objective of Design a Logo 2025 was to provide students with a platform to demonstrate creativity, innovation, and problem-solving ability through various engaging and collaborative activities. The event aimed to motivate students to think beyond academics and apply their skills in real-time challenges.

**Organizers:** BITUYG - The official Society of Computer Science & Technology Department.

**Activities:** The event included interactive and technical activities such as a designing a creative logo. Students participated individually, demonstrating teamwork, technical understanding, and creative presentation skills. The environment encouraged collaboration and healthy competition among participants.

#### **Key Takeaways:**

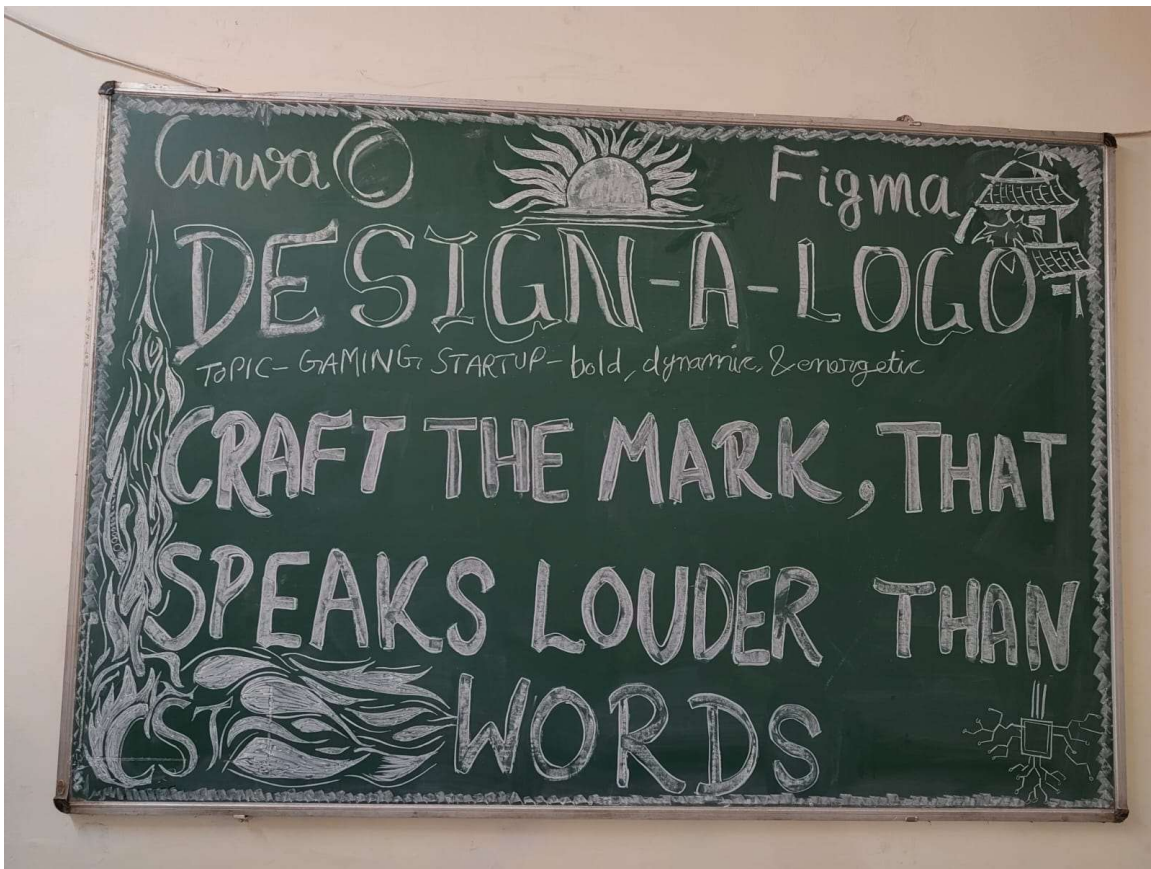

- Students enhanced their logical thinking and creative skills through engaging activities.
- The event encouraged teamwork, confidence building, and effective communication.
- Participants gained hands-on experience in presenting and implementing ideas.
- The event promoted innovation and a healthy competitive environment among learners.

**Description:** The logo was designed to represent the identity and vision of the **Computer Science & Technology Department**. The design elements reflect **innovation, technology,** and a **modern digital approach**. The use of **clean shapes and balanced color composition** symbolizes clarity, creativity, and forward-thinking. The overall logo conveys a sense of **progress, learning, and technical excellence**, aligning with the department's mission to nurture skilled and confident professionals.

**Outcomes:** **Design a Logo 2025** successfully provided an **experiential learning** platform for students. Participants **gained confidence** in presenting and applying their ideas, enhanced their **logical reasoning** and **creativity**, and learned the importance of teamwork and communication. **Innovative performances** were acknowledged and appreciated.

**Beneficiaries:** The event primarily benefited students of the Computer Science and Technology Department.
