

Alumni Times

Volume 1 | Issue 1 | Aug - Dec 2025

Every journey starts with a single step, and at ADGIPS, each alumnus has a unique story shaped by their campus experience. The Alumni Catalogue showcases graduates' diverse achievements to inspire current students with real stories of resilience and success. By highlighting milestones and personal journeys, it fosters community and encourages sharing experiences between generations, reminding students of their potential and the bright future ahead.

HON'BLE CHAIRPERSON

Mrs. Alka Das

The perennial zeal of the institution has never left the achievements stagnant. The institution not only gives students the exposure to the regular engineering curriculum but also to the aspirations of today's corporate world, thus inculcating a professional aptitude in them. The dedication of the faculty members has strengthened the learning process ensuring an environment of collaboration, experimentation, imagination, and creativity. It is such a prodigious delight in watching the students cutting edge in technical exploration, enhancing their analytical skills and brushing themselves up for the rapidly changing sector, and establishing themselves as entrepreneurs and engineers. The Departments has always reached new heights and I am looking forward to more wonders and achievements. This Newsletter beautifully provides an overview of alumni, glorious journey and various achievements explored by our faculty members and students.

HON'BLE PRESIDENT

Shri Viraj Sagar Das

The enduring commitment of our institution ensures that our achievements never stagnate. We go beyond the regular curriculum, equipping students not just with engineering knowledge, but also with the professional aptitude required for today's dynamic corporate world.

The unwavering dedication of our faculty members strengthens the learning process, fostering an environment rich in collaboration, experimentation, imagination, and creativity. It is profoundly delightful to witness our students achieving cutting-edge technical exploration, enhancing their analytical skills, and successfully establishing themselves as forward-thinking engineers and entrepreneurs in this rapidly changing sector.

The Departments consistently reach new milestones, and I eagerly anticipate more wonders and accomplishments ahead. This edition of Prayas beautifully encapsulates this progress, providing an overview of the glorious journeys of our alumni and the various achievements explored by our dedicated faculty members and students.

THE DIRECTOR

Prof. (Dr.) Niranjan Bhattacharya

“

Our alumni are not just former students; they are lifelong ambassadors of ADGIPS, carrying forward the values and vision that define us. Your continued engagement with the institute strengthens our community and inspires the next generation to aim higher.

ABOUT

@ADGIPS ALUMNI STUDENTS'
COMMITTEE

Every journey starts with a single step, and at ADGIPS, each alumnus's path is shaped by their experiences on campus. Our Alumni Catalogue, goes beyond a simple directory; it honours the diverse stories of alumni who have made significant impacts across various fields. This catalogue inspires current students by showcasing tales of resilience and success, encouraging them to dream big and embrace challenges. Alumni Times celebrates the journey of each alumnus, highlighting the enduring spirit of ADGIPS and the contributions made by its graduates. Whether it's in the realms of technology, arts, business, or social change, our alumni have left an indelible mark on the world. With profiles that capture both their professional achievements and personal growth, Alumni Times serves as a beacon of inspiration. It connects generations of learners, fostering a community where knowledge is shared and ambitions are nurtured. Through this vibrant tapestry of stories, students can find role models and mentors, igniting their own paths with confidence and determination. As we turn the pages of Alumni Times, we celebrate not just past accomplishments but the limitless potential that lies ahead for all who walk the halls of ADGIPS.

WORDS OF WISDOM

Mr. Hardik Sharma

AI ENGINEER @ ZYKRR

“

In this Podcast, AI Engineer Hardik Sharma outlines a 6-7 month roadmap to AI mastery: Python basics, data analytics, math/stats, and then generative AI projects. He differentiates analyst/scientist roles, debunks AI job fears (it's a partner), recommends tools like Notebook LM, urges society/hackathon involvement for networking, and shares CV tips for internships.

”

Mr. Akash Dahiya

CONSULTANT @ TRAI

“

He shared that joining the society played a significant role in shaping his personality while also strengthening his career and soft skills. Although he later switched his career path, the experience he gained proved immensely helpful. Today, alongside his government job, he is also able to pursue his passion for fashion—something he credits to the confidence and exposure the society provided.

”

Mr. Rahul Jain

CEO @ RASH TECHNOLOGIES

“

The tech industry demands adaptability; your key skill is the ability to constantly learn. Moving beyond code, success requires leadership, clarity, and communication to solve business problems. Adopt an entrepreneurial mindset—take ownership, embrace resilience, and build technology ethically. The foundation here launched my journey; now, go build the future.

”

Dr. Lalit Kandpal

POST-DOCTORAL RESEARCHER

“

It's a pleasure to lead this hands-on workshop, moving beyond theory to analyze, detect, and defend against spam. Understanding this evolving threat provides vital insights into network security and data analysis. We will build practical filtering skills, reinforcing that knowing the adversary is key to becoming the best defender. Embrace this chance to tinker and troubleshoot real-world problems.
