

VISION

To produce socially responsible technocrats, researchers, and entrepreneurs in the field of Computer Science and Engineering.

MISSION

To provide quality education in the field of computer science.

To inculcate professional behavior, strong ethical values, and leadership skills among students.

To provide a platform for promoting entrepreneurship and multidisciplinary activities.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

Computer science is a science of abstraction creating the right model for a problem and devising the appropriate techniques to solve it

HIGHLIGHTS

- Achievements
- Gold Medalists
- Events
- Placements
- Major Recruiters

ACHIVEMENTS

- **Vanshika Sharma** – 1st Position in Tug of War at ASTITVA'26 Annual Sports Meet, organized by ADGIPS.
- **Khush Arora &Team** – 1st Position in Social Ideathon Competition, University of Delhi (South Campus).
- **Khush Arora &Team** – 1st Position in Innovision Ideathon 2026, Trinity Institute of Professional Studies
- **Shreya Kalra &Team** – 1st Position in Vihaan 9.0 Hackathon, organized by Delhi Technical University
- **Nitesh Agarwal &Team** – 3rd Position at Protex: Hack2Win, IGDTUW (Microsoft, Noida).
- **Nitesh Agarwal &Team** – 2nd Place in Agentic AI Hackathon, IEEE MAIT (E-Summit '26).
- **Archita jain** - Recipient of the GGSIPU Gold Medal, presented by the Hon'ble Chief Minister of Delhi.

OUR GOLD MEDALISTS

Congratulations

TO ALL THE GOLD
MEDALISTS

WE WISH YOU BRING
MORE LAURELS TO THE
DEPARTMENT AND THE
INSTITUTION

Archita Jain
(Batch: 2021 - 25)

Sangorika Gosh
(Batch: 2018 - 22)

Diksha Sethi
(Batch: 2015 - 19)

Mahak Shah
(Batch: 2013 - 17)

Benny Kaur Anand
(Batch: 2016 - 20)

Ambika Arora
(Batch: 2014 - 18)

Sourabh Jeswani
(Batch: 2008-12)

EVENTS

DIGITAL AWARENESS CAMP

The Digital Awareness Camp was organized by the Departments of Computer Science & Engineering (CSE), Computer Science (CS), and Computer Science & Technology (CST), ADGIPS Delhi, under the initiative "Akhil Jyot 2026" on 13 April 2026 at the ADGIPS campus. The camp focused on promoting digital literacy, cybersecurity awareness, safe digital transactions, and responsible use of social media through interactive sessions and demonstrations. The event witnessed enthusiastic participation from students, faculty members, and community members concluded with an interactive awareness drive that encouraged safe and responsible digital practices.

INTRACOLLEGE EVENTS

Debate Competition 2026

The Debate Competition was organized on 19 February 2026 at ADGIPS to enhance students' communication and critical thinking skills. Participants debated the role of Artificial Intelligence through logical arguments and engaging discussions. The event concluded with Ankit Mishra (ECE) being declared the winner and was appreciated for promoting confidence.

THE LOGIC MATRIX Event

The Logic Matrix - Tech Quiz was organized on 20 February 2026 at ADGIPS to test students' technical knowledge and logical reasoning skills. The quiz featured multiple rounds covering programming, computer science fundamentals, and emerging technologies. Students participated enthusiastically, making the event both competitive and engaging.

CSE Project Exhibition – UTKARSH 2026

The Project Exhibition - UTKARSH 2026 featured innovative projects including OrbitBharat, AI Hospital Patient Management System, EVConnects, and Expense Tracking System. The exhibition highlighted students' technical skills, creativity, and practical solutions to real-world challenges while promoting innovation and collaborative learning.

ALUMNI TALK- "NAVIGATING THE ROUTE MAP FOR NATION'S PRIDE"

The Department of Computer Science & Engineering, ADGIPS, organized an Alumni Talk on 24 March 2026 by Lieutenant Satyam Raina, an alumnus currently serving in the Indian Army. He shared his inspiring journey and guided students on defense career opportunities, leadership, and discipline. The interactive session motivated students to serve the nation with dedication and clarified their queries about joining the Armed Forces. The event was highly informative and well-received by all participants.

CAREER INSIGHTS – ALUMNI TALK

The Department of Computer Science & Engineering, ADGIPS, organized an Alumni Talk on 16 March 2026 titled "Dream Big, Achieve Bigger: From Campus to Career – Insight and Experiences." The session was delivered by Ms. Archita Jain, Specialist Programmer at Infosys and a Gold Medalist, who shared valuable insights on career planning, placements, interview preparation, and industry expectations. The interactive session motivated students to strengthen their technical and professional skills while preparing for successful careers in the IT industry.

Competitions & Seminars

NATIONAL SCIENCE DAY
by Organizing
ONLINE DIGITAL POSTER MAKING COMPETITION
Theme
"DIGITAL FUTURE WITH COMPUTER SCIENCE"

National Science Day – Online Digital Poster Making Competition

The Department of Computer Science & Engineering, ADGIPS, organized an Online Digital Poster Making Competition on 28 February 2026 to celebrate National Science Day. Based on the theme "Digital Future with Computer Science," the competition encouraged students to showcase their creativity and digital design skills using modern design tools. The event successfully promoted innovation, technical awareness, and healthy competition among participants.

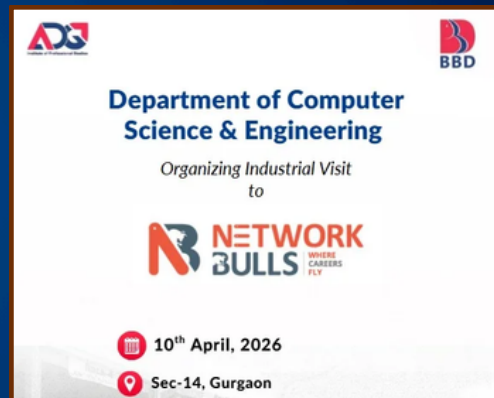

SEMINAR
on
"Awareness and Current Insights into Cyber Laws"

Awareness and Current Insights into Cyber Laws – Seminar

The Department of Computer Science & Engineering, in collaboration with ADG Law School, organized a seminar on "Awareness and Current Insights into Cyber Laws" on 27 February 2026. The session, delivered by Mr. Yash Dhingra, Scientist 'D' at CERT-In, provided valuable insights into cyber security, cyber laws, online safety, and the role of CERT-In. The seminar enhanced students' awareness of cyber threats and encouraged responsible digital practices through practical examples and interactive discussions.

Industrial Visit to Network Bulls

The Department of Computer Science & Engineering, ADGIPS, organized an Industrial Visit to Network Bulls on 10 April 2026 at Sector 14, Gurugram. The visit provided students with practical exposure to networking infrastructure, server management, and data center operations. Students gained insights into industry-standard networking technologies, cybersecurity practices, and real-world IT environments through expert demonstrations. The visit successfully bridged the gap between theoretical knowledge and practical application while enhancing students' technical understanding and career awareness.
